Telephone Rates to be In- creased.

When asked regarding the increase
in Telephone rates in Hondo, Manager
Hurt of the local exchange of the
Southwestern Bell Telephone Com-
pany, said:

"We shall increase the telephone
rate in Hondo on July 1. On and after
that date the business rate will be in-
creased from \$2.75 to \$3.00 per month,
and the residence rate from \$1.75 to
\$2.00 per month. This is made impera-
tive because of the rising costs with
which we have been constantly con-
fronted for the past few years. This
has made it necessary that we obtain
additional revenue.

"Public Utilities are the only class
of industry in the United States today
that have to sell their products, which
in our case is service, at a price lower
than other lines of business, propor-
tionately. And this notwithstanding
the fact that we are being eaten alive
by the unprecendented and extraordinary
increases in the cost of materials and
labor. These have been costing us
from 40 to 200 per cent more and we
have had to pay more for the money
used in the extensions.

"These extensions, by the way, are
not made out of our revenue. If we
add poles or a switchboard, we get the
money to pay for it in the form of
new capital. We have to bid for that
money and we are only able to get it
in so far as we are able to show that
the money already invested in our ex-
change is yielding a fair return. With
the fixed rates, our revenue has re-
mained stationary, while the expenses
have been mounting higher and higher
each month.

"However, there has been a nation-
wide recognition of the necessity of
protecting the credit of the public
utilities and throughout the United
States local and state officials have
recently granted relief to them in the
form of increased rates. About 87
per cent of more than 500 requests for
increases have been granted.

"Nothing like an adequate return
can be expected in the new rates in
Hondo because there will be further
and permanent increases in the cost of
furnishing service. The new rate will,
however, lessen the burden and give
us a better chance to continue to ful-
fill our obligations. We consider it to
be our duty to furnish the best service
to the greatest number at the lowest
fair rate. But it also is our duty to
fix the rate so as to meet our expenses
and earn a return on the investment
sufficient to attract new money. The
greatest danger to this community is
that capital should lose confidence in
our industry, making it impossible for
us to obtain additional capital for ex-
tension to plant."

Attention Republicans.

You are hereby notified that a mass
meeting of Republicans will be held
at the court house at 2:00 p. m. Sat-
urday, July 3, 1920. Business of im-
portance will come before the meeting
so all Republicans are urged to be
present.

Masonic Installation.

June 24th, 1920, will long figure in
the annals of Masonry in Hondo. It
was an event that had long been look-
ed forward to by those of the mystic
order, as well as the curious of the
uninitiated.

It was the announced purpose of both
Hondo Lodge No. 756, A. F. & A. M., and
Hondo Chapter No. 350, R. A. M., to
hold joint installation ceremonies of
the officers previously named by the
members of the two orders, but owing
to the late hour at which the installa-
tion of the officers of the Blue Lodge
was concluded, it was decided to post-
pone the ceremonies of installing the
officers of the Chapter until another
date.

Following are the officers who were
installed and will serve as officers for
Hondo Lodge No. 756, A. F. & A. M.,
for the ensuing term: Will Muennink,
W. M.; F. S. Cockrell, S. W.; O. E.
Lacy, J. W.; T. C. Barnes, S. D.; O. B.
Taylor, J. D.; George J. Schweers,
Tyler; Isaac Wilson, Treas.; and J. B.
Hurt, Sec.

At the conclusion of the installation
ceremonies the members of the two
lodges repaired to the Auditorium
where the ladies of the Eastern Star
had prepared an entertainment and
refreshments for the members of their
brethren and where an hour or more
of unalloyed pleasure reigned.

On reaching the auditorium the pro-
gram was inaugurated by Miss Irene
Saathoff, rendering several exquisite
violin selections, accompanied by Miss
Nell Wilson, piano.

The second number of the evening's
entertainment were several instrumen-
tal duets by Mrs. O. A. Fly and sister,
Mrs. S. D. Jones, of Houston.

The third number of the program
was a vocal solo by Mrs. Horace
Bradley, Miss Nell Wilson again pre-
siding at the piano.

At this point in the evening's pro-
gram Prof. W. N. Saathoff introduced
Hon. H. P. Hornby of Uvalde, a visit-
ing brother, who, in one of the most
pleasing addresses ever delivered in
the Auditorium, reviewed the history
of Masonry, its foundation and pur-
poses, growth and influence. Mr.
Hornby is a decidedly gifted speaker,
and his peroration on the work of the
Eastern Star and womanhood was one
of the most masterful ever delivered
in Hondo. He was listened to with
marked attention throughout his ad-
dress, and so absorbed were his hear-
ers in his discourse that the time con-
sumed seemed but a few fleeting
moments--a compliment but few
speakers ever attain.

A delicious lunch was served con-
sisting of sandwiches, ice tea, ice
cream and cake, the Eastern Star
ladies being the hostesses. It would
be superfluous to say that the manner
in which the assembled throng "fell
to" this part of the evening's pleas-
ures was a high tribute to the culinary
powers of the donors.

But if there was any one feature
of the delightful evening more enjoy-
able than any other it was the rendi-
tion of several "long ago" selections
by Judge A. M. Lamm on the violin,
Mrs. Lamm at the piano. The efforts
of this jolly old youthful couple was
greatly enjoyed.

Approximately one hundred and fifty
people were present; a large represen-
tation from Yancey lodge being present
as the guests of their Hondo brethren.
The throng dispersed at a late hour,
all somewhat weary but happy that
fate had been kind to them in allowing
them to be a member of the jolly as-
sembly that did homage to the Masonic
fraternity at its reception following
the installation ceremonies. As all
wended their way homeward the uni-
versal judgment was the evening was
in all respects one of the most enjoya-
ble experienced in Hondo in a decade.

Deplorable Accident.

Owing to the collapse of a scaffold
on which they were standing Friday
afternoon while engaged in demolish-
ing the damaged bridge over Verde
creek, Edgar, the son of Judge and
Mrs. H. E. Haass, was critically in-
jured and Arthur, the son of Mrs.
Henry Nev, received a badly sprained
ankle and a severe shake-up.

The collapse of the scaffold on which
the young men stood, threw them to
the bed of the creek, some thirty
feet below. Young Haass suffered
the fracture of his right thigh and
right arm; the flesh and muscles of
his broken arm being horribly lacer-
ated, causing a great loss of blood.
His condition is critical and time alone
will determine the outcome of his in-
juries.

Physicians were summoned and Drs.
Meyer and Smith hurried to the scene
of the accident, rendered first aid and
brought the young men to town where
everything possible is being done to
aid their recovery.

LATER--Edgar Haass died at 7:30
this morning.

The Nursery-Manual.

This book was written by L. H.
Bailey, one of the world's most pro-
lific and authoritative writer on agricul-
tural and horticultural subjects. It
was first published in 1891. For about
thirty years it has been a standard
work on the propagation of plants, by
means of seeds, layers, cuttings, buds,
grafts, and otherwise. The present
work is the twenty-second edition of
it, rewritten and all made new, and
transferred to the set of small one-
volume cyclopedias known as The
Rural Manuals. It contains an ex-
tended alphabetic list of plants with
full indications under each one for
propagation. It also includes an illus-
trated account of the main diseases
and insects of nursery stock, invalua-
ble to both the commercial grower as
well as those who grow a few plants
and shrubs for pleasure.

For instance, on the subject of
Mildew of Rose, a disease that has
given trouble here in damp, moist sea-
sons, the book says:

"The leaves, the blossoms buds and
the young shoots of roses are affected
by mildew. The disease appears as
white irregular blotches, causing the
leaves to become curled and dry. The
bark of severely affected shoots be-
comes dead in appearance and shrivels,
causing an arching or a curving of the
shoots at the tip. Only the current
year's growth is affected.

"The fungus SPHOEROTHECA
PANNOSA is the cause of the mildew
on peach and rose stock. Spores of
the fungus are produced in the white
blotches of mildew and these propa-
gate the parasite throughout the sum-
mer. After midsummer the special
fruiting bodies known as pithelia also
may be produced and these serve to
carry the fungus over winter.

"Most copper sprays have not proved
effective in controlling this disease.
A sulfur dust-mixture (consisting of
95 parts finely ground sulfur and 5
parts powdered lead arsenate) is more
effective than bordeaux mixture or
lime-sulfur solution."

The practical suggestions, such as
the foregoing, with which the book is
replete makes it invaluable to the
grower of plants and shrubs. It is
sold for \$2.50 by the publishers, The
Macmillan Company, New York, N. Y.
F. D.

Public Speaking.

The public speaking, announced at
the court house Thursday evening, by
Hon. H. P. Hornby of Uvalde in the
interest of Hon. Pat Neff, one of the
Democratic candidates for governor,
was rather slimly attended, owing to
other attractions and the general
apathy among the voters as to politi-
cal discussions. This indifference of
the people, who alone will have to
pass on the qualifications of the
officers who are to direct the affairs
of the state for the next two years is
to be regretted, but the fact remains
that the voters as a rule are taking
but little interest in the approaching
primaries. Mr. Hornby is a fluent
speaker and it is a pity more of our
voters did not avail themselves of the
opportunity to hear him.

Judge W. C. Moore, who it was an-
nounced would be present and speak
in the interest of Mr. Thomason, the
El Paso candidate for the governor-
ship, did not speak.

The Medina Oil Well No. 1, located
on the John Ward Survey No. 13, is
drilling at 90 feet in Blue Shale, which
the Geologist of this Company has
examined and says is Weverville shale
of the upper cretaceous system.

1092 delegates at San Francisco are
at work to adopt a platform for the
democratic party. Late reports say
that 713 of these delegates are in favor
of a "wet" plank, that is for light
wine and beer, and against the open
saloon. A majority is 547 votes. As
the report is based on a pre-convention
poll it will not be accepted at face
value.

"GIRL AT BAY"

It is said that Galveston had one or
two cases of bubonic plague, and to
prevent the disease from spreading
experts demand the killing of the rats,
for which purpose \$25,000 has been ap-
propriated. It is said that the rats
caused Galveston a damage of more
than \$25,000 every year anyhow, and
it pays well to spend the money, be-
sides the removal of carriers of dan-
gerous diseases. San Antonio also of-
fers a cent for each rat killed and
delivered.

More Milk

HALF a gallon more milk from each cow
every day, will more than pay your
feed bill.

Nearly every cow owner gets that increase
with Purina Cow Chow.

It costs about a dollar a month more to
feed Cow Chow, but that difference is
more than made up in the first week. The
rest of the month you get
your extra milk for nothing.
Feed out of the Checker-
board Bag and you will
get more milk.

Sold in Checkerboard Bags Only

At Farmers' Union Warehouse Co.

Our Castroville Page

Local, Personal and Business Items from This Busy Burg

CASTROVILLE, JUNE 24, 1920

ED. HUEHNER, LOCAL REPRESENTATIVE

News or business matter for this page for the week's issue should be submitted to Mr. Huehner or mailed direct to us at Hondo not later than Wednesday night of each week.

Mr. Albert F. Haller happened to a painful accident Wednesday evening. After unloading a load of feed he reached for the lines to drive away. His team suddenly started, throwing him backward, whereby two prongs of a pitch fork pierced his back. Medical aid was at once summoned and at this writing he is getting along nicely.

A collision occurred Wednesday afternoon just east of town, at the intersection of the San Antonio and Lacoste roads. While Messrs. Edwin Balzen and Alex. A. Haby were coming from Lacoste in Mr. Balzen's truck, a car going towards San Antonio, driven by a lady, ran into the track. Both, Messrs. B and H., were thrown. Balzen sustained bruises to his face and his truck was considerably damaged.

We are glad to state that Messrs. Alfred and Rud. Tschirhart, who were both operated, have sufficiently recovered to return home.

Messrs. Hy. Vonlie, John and Ed. Biry, and Mrs. Jacob Brieden were Lacoste business visitors the middle of the week.

John W. Franger of San Antonio came out Friday on a visit to home folks and friends.

This section was blessed with fine rains Saturday and Sunday. Over two inches has fallen. This will insure a good corn crop.

Mrs. Henry Renken of San Antonio visited relatives and friends in our midst Monday.

Mrs. Joe Wernette and Mr. and Mrs. Elmer Wernette of San Antonio visited here Thursday.

Mrs. Joe Tschirhart, Sr., of Noonan was shopping here Tuesday.

Phil. Tschirhart went to Devine Thursday.

Mrs. Arnold Wurzbach of Rio Medina was shopping here Wednesday.

Misses Gertrude and Ruth and Master George Noonan, Jr., are spending the week with their grandmother, Mrs. C. B. Noonan in San Antonio.

Mr. and Mrs. George Noonan and little daughter, Cometus, returned from San Antonio the middle of the week.

Louis FitzSimon of Houston visited his parents here this week.

Born, to Mr. and Mrs. Fritz Etter, a daughter, June 19, 1920; also to Mr. and Mrs. Henry App a daughter, June 17th; to Mr. and Mrs. Albert Karm, Uvalde, a daughter; and to Mr. and Mrs. Frank Hawk, Orange Grove, a daughter.

Mrs. Lawrence Rihn and daughter, Miss Clara, returned from a two weeks' stay in San Antonio.

August Wurzbach was operated on in a hospital in San Antonio one day last week. We are glad to report that Mr. Wurzbach is improving.

Oscar App, son of Mr. and Mrs. Henry App, was operated on last week in P. and S. hospital for rupture. We are glad to report that he is improving.

Mrs. Ludie and baby of San Antonio are guests of Mrs. L. W. Burrell at the ranch this week.

A Grand 4th of July Dance will be given at the Empire Opera House in Castroville. Schott's four-piece orchestra will furnish the music. Come one, come all and enjoy yourselves.

Nick Ahr and family of Rio Medina were here Sunday.

Mrs. Leopold Brieden and Mr. and Mrs. Cameron and little daughter of San Antonio visited Messrs. Joe and Willie Brieden and their families here Sunday.

Julius and Adolph Ahr were San Antonio visitors this week.

Walter Mitchell was here from Pearson Tuesday.

Mr. and Mrs. Louie Bendele attended the Reicherzer-Biediger wedding at Lacoste Tuesday.

Emil Haby was here from French Settlement Tuesday.

Meedames Eugen Mangold, Emil Halberdier, Adolph Ahr, Sylvian Halberdier, Julius Ahr, Pine Tschirhart and Miss Alice Brieden were at Lacoste Monday night for the commencement exercises.

Bob Rihn and family and Miss Alice Rihn spent Sunday in San Antonio.

Helps Sick Women

Cardui, the woman's tonic, helped Mrs. William Eversole, of Hazel Patch, Ky. Read what she writes: "I had a general breaking-down of my health. I was in bed for weeks, unable to get up. I had such a weakness and dizziness, and the pains were very severe. A friend told me I had tried everything else, why not Cardui?... I did, and soon saw it was helping me... After 12 bottles, I am strong and well."

TAKE

CARDUI

The Woman's Tonic

Do you feel weak, dizzy, worn-out? Is your lack of good health caused from any of the complaints so common to women? Then why not give Cardui a trial? It should surely do for you what it has done for so many thousands of other women who suffered—it should help you back to health.

Ask some lady friend who has taken Cardui. She will tell you how it helped her. Try Cardui.

All Druggists

L. 67

Henry App was a San Antonio visitor during the week.

Gabe Hans, Oscar Karm and Archie Jagge were San Antonio visitors Sunday. Oscar Karm returned in the evening with a new Dodge car.

Edgar Baizen of Sturm Hill was here Thursday.

Otto Wurzbach and family of Cliff were here Sunday.

Mrs. Emily Naegelin returned from a visit in San Antonio.

Lee Mangold and Chas. Groff were San Antonio visitors Sunday.

Mrs. Rosa Biediger and children spent Sunday with Fritz Rihn and family at Riomedina.

Little Miss Ethel Woodard returned to San Antonio Monday. She was accompanied home by Misses Mamie and Lucile Halberdier who will spend the week.

Mrs. John Droicourt and children, Oscar Droicourt and sister, Miss Hettie, and Clara and Ellen Hans took in the entertainment at Lacoste Monday night.

Louie Mehr was here from Bader settlement Monday.

Dr. O. B. Taylor was here from Hondo Sunday and Monday doing dental work.

Otto Haby of Riomedina was trading here one day this week.

Mr. and Mrs. Gamiel Loecher of Pipe Creek visited here during the week.

Mr. and Mrs. Adam Droicourt and son, Oscar, visited Jack Droicourt at the hospital in San Antonio this week. Mr. Droicourt was operated on for appendicitis the first of the week.

Mrs. Lee Scuchart of San Antonio spent the week with her parents, Mr. and Mrs. Louis Wurzbach.

Mrs. Herman Pippert of Riomedina was shopping here Tuesday.

Jos. Courand and son, Francis, of San Antonio were visitors here Wednesday.

Mr. and Mrs. Willie Biediger and Mr. J. J. Rihn visited Jack Droicourt in the hospital in San Antonio Sunday.

Mrs. Louis Scherrer and daughter, Miss Florence, Miss Pattie FitzSimon, Mrs. Mollie Hans and daughter, Miss Theresa, and Masters Tom and Edgar, spent Sunday in San Antonio.

Rudolph and Fritz Tschirhart have returned from the hospital in San Antonio.

Mrs. August Mangold and son, Lee, and Anton Kilhorn visited in San Antonio during the week.

Miss Melinie Huesser is the guest of relatives in San Antonio for several weeks.

Little Miss Ruby Tondre of San Antonio spent the week at the Burrell ranch.

We have the Agency for Ford Cars, and carry a Full Line of Ford Parts. Citizen Auto Co., authorized Ford Service Station, Castroville, Texas. 30tf.

NOTICE—Hereafter I will sell you three Loaves of Bread for 25 cents. Patronize home industry. Your patronage will be appreciated. Yours to serve, J. E. MUELLER, 46 Castroville, Texas.

Sore Nipples.

Any mother who has had experience with this distressing ailment will be pleased to know that they may be relieved by applying Chamberlain's Salve as soon as the child is done nursing. Wipe it off with a soft cloth before allowing the babe to nurse. Many trained nurses use this salve with best results.

A Liberty Bond is an ever-present help in time of trouble. Hold on to your Bond. Buy more at the present low market price.

The Hicks Well.

Mr. Chas. Beasley was called out to the E. Hicks shallow well yesterday to see some new developments, and says the oil showing is increasing and that a considerable showing of gas has been struck. The formation in which they are now drilling indicates strongly another striking of sand, in which case Mr. Beasley predicts a much better showing of oil. The drill is now down about 720 feet.—Bandera New Era.

Stomach Troubles.

If you have trouble with your stomach you should try Chamberlain's Tablets. So many have been restored to health by the use of these tablets and their cost is so little, 25 cents, that it is worth while to give them a trial.

Hugh Taylor Sells Ranch.

A deal was closed this week between Hugh Taylor and the Biry Bros. of Biry, for the ranch and cattle of Hugh Taylor, the land lying about 20 miles southwest of Pearsall. There is about 1700 acres in the tract of land. The deal was made through J. M. Sorrell and August Bilhartz.—Pearsall Leader.

How a Noted Vet. Gets Rid of Rats—Farmers Heed.

Dr. H. H. Butler says, "I use RAT-SNAP around my hospitals every three months, whether I see rats or not. It does the work—RAT-SNAP gets them every time. I recommend it to everybody having rats." Don't wait until there is a brood of rats, act immediately you see the first one. Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by W. H. Windrow and Holloway Bros.

First 1920 Wheat Sold.

Lacoste, Tex., June 14.—The first wheat of the season has been sold in San Antonio by a Lacoste farmer, John M. Mechler. Mr. Mechler planted only five acres, which averaged 15 bushels to the acre, but a lot of it has been destroyed by field rats. He received \$2.75 per bushel and a sack of the best flour as a premium for selling the first new wheat on the market. The wheat classed No. 1.—S. A. Express.

Booze Is Not a Good Cure.

(From the Ames Iowa Intelligencer.) When a man comes to you all doubled up with pain and declares he will die in your presence unless you procure him a drink of whiskey, send him to a doctor or else give him a dose of Chamberlain's Colic and Diarrhoea Remedy. There is a mistaken notion among a whole lot of people that booze is the best remedy for colic and stomach ache.

Born, to Mr. and Mrs. Eddie Liebold Tuesday morning, June 15, a boy.—Bandera New Era.

Cut This Out and Take It With You.

A man often forgets the exact name of the article he wishes to purchase, and as a last resort takes something else instead. That is always disappointing and unsatisfactory. The safe way is to cut this out and take it with you so as to make sure of getting Chamberlain's Tablets. You will find nothing quite so satisfactory for constipation and indigestion.

Best Remedy for Stomach Trouble.

I am pleased to have the opportunity to say a good word for Chamberlain's Tablets," writes Mrs. Mamie Bertel of Moberly, Mo. "I think they are the best remedy for stomach troubles, biliousness and constipation I have ever used. I have taken them off and on for two or three years and they always relieve indigestion, tone up the liver and make me feel fine."

Messrs. R. Gross and son, Henry, left for their ranch below D'Hanis last Friday on a few days stay.—Lacoste Ledger.

For the Relief of Rheumatic Pains.

When you have stiffness and soreness of the muscles, aching joints and find it difficult to move without pain, try massaging the effected parts with Chamberlain's Liniment. It will relieve the pain and make rest and sleep possible.

Cataracts Cannot Be Cured

by LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Cataract is a local disease, greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE will cure cataract. It is taken internally and acts through the blood on the mucous surfaces of the system. HALL'S CATARRH MEDICINE is composed of some of the best known, combined with some of the best blood purifiers. The perfect combination of the ingredients in HALL'S CATARRH MEDICINE is what produces such wonderful results in cataractal conditions. Druggists 7c. Testimonials free. F. J. Cheney & Co., Props., Toledo, O.

Sabinal Sentinel Siftings.

Mrs. Henry Reilly, Miss Lockhart and Miss Jane Reilly went to San Antonio Monday morning for a few days. Miss Jane has been in Berkeley, Cal., the past year attending Berkeley University. Her friends are glad to see her at home once again.

Miss Helen Reilly went to San Antonio Wednesday to be with the rest of the family.

Mr. and Mrs. Jacob Reinhart went to D'Hanis Wednesday to attend the funeral of little John Ney who was killed by a fall from a horse.

Mrs. Dr. Bradley and son, Jack, of Hondo, were in Sabinal Thursday visiting her mother, Mrs. A. B. Jones, and Miss Vera.

Faris Reilly went to San Antonio Monday to consult a specialist.

Mrs. Arthur Reinhart and baby went to Hondo Friday morning on a visit to her sister, Mrs. Richard Reilly. Mr. and Mrs. Jacob Reinhart were visiting in Con Can yesterday.

Mrs. J. Deckenbach of Portland, Oregon, after a lengthy visit in Texas, left Wednesday and is being accompanied to her home by Miss Aggie Reilly and Miss Corinne Ney of Hondo, who will spend the summer there. They will be in Portland for the Shriner's Convention and also Portland's Rose Carnival. Enroute stops will be made in Los Angeles and San Francisco, California, returning by Salt Lake City, Denver and Kansas City.

Earthquake shocks were felt at Los Angeles, Cal., Monday night.

AN IMPORTANT LETTER

SAN ANTONIO, TEXAS.—"In my early married life I became very tired with feminine trouble and no doctoring or medicines gave me any relief until I started to take Dr. Pierce's Favorite Prescription. I was down in bed, unable to do my own housework, but it was only a short time before I was feeling stronger and all my pains left me. I took about six bottles of 'Favorite Prescription' and can say positively that it cured me of all feminine trouble for I have been in perfect health ever since. I take pleasure in recommending Dr. Pierce's Favorite Prescription to all women suffering with inward trouble."—MRS. ANNIE F. EDDY, 224 Rogers Street.

All druggists. Liquid or tablets. Send 10 cents to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y., for trial package of the tablets.

INDIGESTION

If you are ever troubled with indigestion, Chamberlain's Tablets will do you good. They strengthen the stomach and enable it to perform its functions naturally. There are hundreds of people who have been restored to health and happiness by the use of Chamberlain's Tablets. When you feel dull and languid after eating you may know that your digestion is faulty, unless you have eaten more than you should. Belching, sour stomach and bloating are symptoms of indigestion and are relieved by taking Chamberlain's Tablets as directed. Indigestion is usually accompanied by constipation and is aggravated by it. Chamberlain's Tablets cause a gentle movement of the bowels, relieving the constipated condition. Chamberlain's Tablets are also most excellent for biliousness. Sold everywhere at 25c.

TEXAS NATURE OBSERVATIONS, by Dr. Menger, 111 North Cherry Street, San Antonio, Texas. Contains 323 illustrated pages, covering years of personal observations of our Texas fauna insects, plant life, game, etc. The American Review of Reviews judges the book thus: "A rare and more delightful book of nature knowledge in the study of the out of door world can hardly be imagined." Price \$2.50 to any address in Texas. 31tf

Another Royal Suggestion

COOKIES and SMALL CAKES

From the NEW ROYAL COOK BOOK

WHEN the children romp in hungry as young bears, here are some wholesome, economical delights that will not only be received with glee, but will satisfy the most ravenous appetite in a most wholesome manner.

Cookies

1/2 cup shortening
1/2 cup sugar
1/2 cup milk
2 eggs
1 teaspoon grated nutmeg
1 teaspoon vanilla extract or
grated rind of 1 lemon
4 cups flour
3 teaspoons Royal Baking
Powder
Cream shortening and sugar
together; add milk to beaten
eggs and beat again; add
slowly to creamed shorten-
ing and sugar; add nutmeg
and flavoring; add 2 cups
flour sifted with baking
powder; add enough more flour
to make stiff dough. Roll out
very thin on floured board;
cut with cookie cutter, sprin-
kle with sugar, or put a raisin
in the center of each. Bake
about 12 minutes in hot oven.

Cocoa Drop Cakes

4 tablespoons shortening
1 cup sugar
1 egg
1/2 cup milk
1/2 cup cocoa
3 teaspoons Royal Baking
Powder
1/2 cup salt
1 teaspoon vanilla extract

ROYAL BAKING POWDER

Absolutely Pure

Cream shortening; add sugar
and well-beaten egg; beat
well and add milk slowly; sift
flour, baking powder, salt and
cocoa into mixture; stir until
smooth, add vanilla. Put one
tablespoon of batter into
each greased muffin tin and
bake in moderate oven about
20 minutes. Cover with boiled
icing.

Orange Cakes

4 tablespoons shortening
1 cup sugar
1/2 cup milk
1 egg
2 cups flour
3 teaspoons Royal Baking
Powder
1/2 teaspoon salt
1 teaspoon orange extract
grated rind of 1 orange
Cream shortening; add sugar
slowly, beating well; add milk
a little at a time; then add
well-beaten egg; sift flour,
baking powder and salt to-
gether and add to mixture;
add flavoring and grated
orange rind; mix well. Bake
in greased shallow tin, or in
individual cake tins, in hot
oven 15 to 20 minutes. When
cool cover with orange icing.

COOK BOOK FREE

Just off the press and finer
than ever before. This
new Royal Cook Book con-
taining 400 delightful re-
cipes, will be sent to you
free if you will send your
name and address.

Your Nerves Are Exhausted

**PEPSINOL Overcomes Nervous
Exhaustion in the Natural,
Normal Way**

Brain fog, nervousness, irritability,
depression—one and all are proof
that digestive troubles are poisoning
your system and weakening your
nerves. Do not wait for the complete
nervous and physical collapse that is
fully getting nearer, but instead let
Pepsinol fortify you against sickness.
Pepsinol restores nerve vitality by cor-
recting digestive troubles, aiding food
assimilation and making the healthy
blood that invigorates nerves and

Lift off Corns!

Doesn't hurt a bit and Freezone
costs only a few cents.

With your fingers! You can lift off
any hard corn, soft corn, or corn between
the toes, and the hard skin calluses from
bottom of feet.

A tiny bottle of "Freezone" costs little
at any drug store; apply a few drops
upon the corn or callus. Instantly it
stops hurting, then shortly you lift that
bothersome corn or callus right off, root
and all, without one bit of pain or sore-
ness. Truly! No humbug!

KEEP IT SWEET

Keep your stomach sweet
today and ward off the indi-
gestion of tomorrow—try

KI-MOIDS

the new aid to digestion.
As pleasant and as safe to
take as candy.

MADE BY SCOTT & BOWNE
MAKERS OF SCOTT'S EMULSION

WHAT ARE YOUR DOLLARS WORTH?

What are your dollars worth to
you? Are you getting one hundred
cents back on every dollar you spend?
Unless you are very careful you are
not. Most of the dollars being spent
today are going for things that could
have been bought for about sixty
cents before the war and which can
be bought for sixty cents again with-
in the next three or four years.

Saved Dollar vs. Spent Dollar

Dollars that are spent now, if
spent for things other than the essen-
tials of life, like groceries, rent, etc.,
are not doing their full duty. They
are only putting forth sixty cents of
their strength when they should be
hitting the line one hundred cents
strong.

But dollars that are saved today
will be worth almost two dollars with-
in a few short years—three or four
years, perhaps. Ask your banker if
that is not so. Every dollar that can
be saved should be saved today—
safely put away. Within a short time
it will buy almost twice or three
times as much as it will now.

A Good Way to Save

One of the very best ways in which
to save money and save it so that
it will be absolutely safe is to put
so much in War Savings Stamps ev-
ery month. They can be gotten from
the postoffice or bank and they yield
their owners interest at the rate of
four per cent, compounded every nine-
ty days. They make the saved money
stay saved, but they can always be
cashed at the postoffice at purchase
price plus accrued interest. Not on-
ly will dollars which have been in-
vested in War Savings Stamps yield
good interest but they will have a
two-for-one buying power within a
few years. Save now for real pleas-
ures later.

THE STATE OF TEXAS.

To the Sheriff or any Constable of Me-
dina County, Greeting:

You Are Hereby Commanded to cause
to be published once each week for a
period of ten days before the return
day hereof, in a newspaper of general
circulation, which has been contin-
uously and regularly published for a
period of not less than one year in said
Medina County, a copy of the follow-
ing notice:

THE STATE OF TEXAS.

To all persons interested in the Wel-
fare of Lillie Schweers and Irene
Schweers, Minors. Mrs. Caroline
Schweers has filed in the County Court
of Medina County, an application for
Letters and Guardianship upon the
Estate of said Minors which said applica-
tion will be heard at the next term
of said Court, commencing on the first
Monday in July, A. D. 1920, the same
being the 5th day of July, A. D. 1920,
at the Court House thereof, in Hondo,
Texas, at which time all persons inter-
ested in the welfare of said Minors,
may appear and contest said applica-
tion, if they see proper to do so.

Herein Fail Not, but have you before
said Court, on the said first day of the
next term thereof, this Writ, with your
return thereon, showing how you have
executed the same.

Given under my hand and the seal of
said Court, at office in Hondo, Texas,
this 17th day of June, A. D. 1920.
(L. S.) S. A. JUNGMAN, Clerk,
County Court Medina County, Texas.

Nothing succeeds like success. Both
success and saving begin with an S.
Success begins with saving and saving
begins with success. Bought that
other War Savings Stamp this month?

Town Falls Heir to World's Most Wonderful Clock.

Aurora, Ill., June 17.—This city has
what might be called the world's most
wonderful clock. It is an ingenious
piece of machinery that took 40 years
in the making. William Blandford, an
82 year-old Englishman, is the inven-
tor. He died here recently after a
residence of 60 years, most of which
time was spent in perfecting the
clock. On his death Mr. Blandford
left the invention to the City of
Aurora.

Among the things the clock does are:
Dispels astronomical claims that
equation of years could not be accom-
plished by machinery.

Has a calendar of 10,000 years—even
the double leap years are provided for.
Time equation—operates automati-
cally.

Has an astronomical dial, requiring
winding but once in 63 years, or but
14 times every 1,000 years.

Is expected to operate without im-
pairment or attention for 5,000 years.
Has a calendar which registers the
number and name of each day, each
month and each year.

Gives the latitude east and west at
127 principal cities of the world, show-
ing the time at any hour of the day or
night in each.

Has an improved compensation pen-
dulum which makes the clock accurate
and is adjusted to normal temperature
and automatically controlled by ex-
pansion and contraction as the result
of changes in heat and cold.

Upper dial is governed by an eight-
day movement.

Has a moon frame showing precisely
the phases of the moon, changing au-
tomatically at each quarter.

Shows the earth and its revolutions
around the sun, the time it enters the
constellation or signs of the zodiac,
parallelism of the earth's axis, and
the variations of the seasons.

Operated by two 50-pound weights,
capable of driving the mechanism for
two months, when the weights are
automatically rewound by an electric
motor.

Has a thermometer and micrometer
attachment showing the exact tempera-
ture within 1-50th degree Fahrenheit.
At night the several dials are auto-
matically illuminated.

Blandford made the entire clock—
structure, cabinet and mechanism.

OXIDINE Anti-Malaria TONIC

Malaria is a menace to the whole
family. Watch for the first symp-
toms and stop it quick. Stop it
with OXIDINE—which PRE-
VENTS as well as stops.
Constipation, Biliousness, Sick
Headaches, all run-down-no-
account feeling. All call for OXI-
DINE, the great Anti-malaria
tonic. Sold by your druggist,
60c. Money back if you take
back the empty bottle and can
truly say you've
had no benefit.

Goodyear Advantages in Tires for the Smaller Cars

Just as Goodyear is successful in building
extreme value into the Goodyear Tires that
go on the highest-priced motor cars, so is
Goodyear successful in supplying unusual
worth in Goodyear Tires for smaller cars.

Into the making of Goodyear Tires in the
30x3, 30x3 1/2, and 31x4-inch sizes have gone
the full advantages of Goodyear experience,
skill and modern facilities.

The results of this unusual endeavor are
easily available to every owner of a Ford,
Chevrolet, Dort, Maxwell, or any other car
requiring the sizes mentioned.

Go to the nearest Goodyear Service Station
Dealer's place of business for these tires, and
Goodyear Heavy Tourist Tubes. He carries
them in stock.

30 x 3 1/2 Goodyear Double-Cure \$23.50
Fabric, All-Weather Tread

30 x 3 1/2 Goodyear Single-Cure \$21.50
Fabric, Anti-Skid Tread

Goodyear Heavy Tourist Tubes are thick, strong tubes that
reinforce casings properly. Why risk a good casing with a
cheap tube? Goodyear Heavy Tourist Tubes cost little more
than tubes of less merit. 30 x 3 1/2 size in water-
proof bag \$4.50

Profits from Your Live Stock

ARE SURE IF YOU USE KRESO DIP No. 1

How many, many times you need something of this kind. To kill lice on a calf, to treat a case of mange or ringworm, to wash out a cut or a scratch, to disinfect a wound or a running sore or gall. How often you could make good use of a reliable anti-septic if you only had it.

Keep Kreso Dip No. 1 on Hand

You will find it the best kind of insurance against loss from parasites and disease.

It's a Real Necessity on Every Farm

There is always good money in healthy, thrifty, well kept stock. Lousy, mangy, dirty, neglected animals are a losing game anytime and anywhere. Use a good dip and you will have no trouble. Be sure you have the right kind. No question about it if you use Kreso Dip No. 1.

A party of Hondo girls composed of Misses Alice Newton, Nettie Mae Newton, Willie Fly, Emma Muennink, Florence and Evelyn Lacy and Lucile Woods left yesterday for a pleasure trip through some of the middle west and northern states. Niagara Falls, Montreal, Canada, New York City, Washington, D. C., Asheville, North Carolina, Philadelphia, and other cities of importance will be visited. The itinerary includes steamer trips on Lake Champlain, steamboat down the beautiful Hudson river, and many other enjoyable features. The Hondo members of the party will be absent about one month.

Last Saturday and Sunday Old Jupiter Pluvius was in a rather ill mood. Saturday morning he wept on the just and unjust to the extent of .90 of an inch. Again, about 10:30 Sunday morning his lachrymose ebullitions began and continued until late in the afternoon, the precipitation approximating .65 of an inch. As a result last Sunday was what the Good Book intended it should be—a day of rest—a good many people spending the greater part of the afternoon in bed.

You can't cover blackheads, pimples, red spots on the face with powder; they're bound to be seen—don't worry or spoil your temper, take Hollister's Rocky Mountain Tea each week—it will banish them thru the blood, the only sure way. 35c. W. H. WINDROW.

Mrs. Oscar Cameron and children arrived from Louisiana and joined Mr. Cameron last week-end and will make their home in Hondo.

MARSHALL & NANKERVIS Real Estate Texas Land 401 Gibbs Bldg., - San Antonio, Texas

No V ns in a Healthy Child All child ouble with worms have an unhealthy col ich indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

Paint Has Saved It From Ruin

Without paint protection during its seventy years of service it would have gone to ruin long ago. The surface coating of paint has borne the wear of rain, storm, sun and wind—no chance for decay or rot. Every board and timber will be sound and strong, as long as it is kept well painted.

Lincoln House Paint

gives the best and most lasting protection. It will cover more surface per gallon and wear longer than ordinary paint.

Let us estimate the amount you will require and show you color combinations suitable for your house, whether you buy or not.

Bridge Club.

Mrs. L. E. Heath was the charming hostess to the "Auction Bridge Club" Wednesday.
The reception hall and living room were ornamented with daisies and tube roses.
The tables were arranged on the porch which was artistically decorated with potted plants. At the conclusion of several interesting games a lunch was served to Mesdames J. M. Finger, Chas. Finger, Horace Bradley, Felix Batot, R. J. Russell, F. S. Cockrell, Capt. Decker, R. J. Noonan, L. J. Brucks, H. J. Meyer.

Mr. B. G. Collier returned the first of the week from a visit to Texas—i. e. San Marcos—and is a greater booster for Medina county than ever before. He says we have Texas skinned a country block in crops, both as to condition and progress. He says cotton in an area of ten miles around San Antonio looks well as to foliage but that boll weevils had attended to most of the fruit. He says cotton crops along the other part of the route traveled are poor.

STRAYED OR STOLEN—One sorrel or dun 4-year-old mare mule; 14 hands high. Branded U Bar U Bar. Reward. L. J. Schmidt, Hondo. 43
If you want to learn the price of poultry phone 132. L. Barrientes. 43
Home Relief Association is growing, join now, send your application to H. H. CROW.

For Sale or Trade for Cattle.

One big black Spanish Jack, one Calath Jack, one pair large 4 year old pure Mules. These Jacks are making the season at my farm, 2 miles east of Tacey. Terms five dollars.
42,tf L. J. SCHMIDT.

For Sale.

One Saxon Roadster at reasonable price. Citizens Motor Car Co. 37

MEET THE DE VEYRA FAMILY!

They Are Putting the Philippines on the Map in Washington

Hon. Jaime C. de Veyra, Who Has Just Been Re-elected as Philippine Commissioner to the U. S.

Mrs. Jaime C. de Veyra. She is Doing Important Work for Her People in America.

THE CHILDREN OF THE PHILIPPINE COMMISSIONER.

The Baby of This Group Speaks Three Languages—Visayan, Spanish and English.

Permit us to present the De Veyra family.

The Hon. Jaime C. de Veyra is the Resident Commissioner from the Philippine Islands to the United States and has just been elected to a second term of three years. As Resident Commissioner he has a seat on the floor of the American Congress, the privilege of taking part in debates, although no vote.

Commissioner de Veyra has an interesting wife and four bright Filipino kiddies. The De Veyra family, individually and collectively, constitute the best argument as to the tact and capabilities of Filipinos that the Philippine Islands have in Washington.

The commissioner is a 100 per cent Filipino, a Visayan, and is one of the foremost leaders of the party in power in the islands. During American occupation he has been successively governor of his province, member of the Philippine legislature, cabinet member and executive secretary of the islands.

Like many statesmen of the Philippines, he was originally a newspaper man. He was one of the founders of El Nuevo Dia of Cebu, the first Filipino paper published advocating Philippine independence. The paper came under the censorship of General McIntyre, and on the appearance of the first number the editors were left in the singular position of seeing every prominent article blue penciled.

Mrs. de Veyra, like her husband, is a "live wire" in the Philippines' cause. She is the best known Filipina in America. She is an interesting public speaker and is constantly giving illustrated lectures at women's clubs and other gatherings. Mrs. de Veyra is a publicity bureau all in herself and has put the Philippines on the map, so far as the women folk of Washington congressional circles are concerned.

"I find that the Filipino people have been much misrepresented in the United States," says Mrs. de Veyra. "I do not mean to infer we are perfect, for we are not. My people have most of the defects, I suppose, that other humans have, but at the same time we are far from the people that many Americans have been made to believe. Not only are we a Christian people, but our race has a history that we are not ashamed of. Throughout the Philippine Islands the people are now working earnestly to improve themselves and their conditions so they will be prepared to take over their own affairs. We all love America for giving us a chance to help ourselves and for having promised us our independence, which is one of the dearest desires of the entire citizenship of the islands."

To American women whose ideas of Filipinos have been founded on Sunday supplement descriptions of wild tribes, Mrs. de Veyra's gentle manner and evident culture have been a revelation. She is sought by women's clubs because of her charming manner as an impromptu speaker on the subject nearest her heart—the women of her country.

At a recent Washington gathering she gave in perfect English a concise account of the work of a woman's club in Manila which supplies milk to the babies of the poor and trains mothers to care for their young children. She told of another woman's club which has branches all over the Philippine Islands and which maintains day nurseries for the children of the working women, provides Christmas cheer for the lepers, the insane and the convicts, and gathers data to influence legislation for the benefit of Filipino women and children.

The four little De Veyras, shown in the picture, having attended the public schools in Manila, slipped right into the same grades in the schools of Washington. Even little Mary, the baby of the family, speaks three languages—her native tongue, Spanish and English.

"PLAY BALL!"

They can do it the year around in the Philippines.

Here's indisputable evidence that the Filipino people have been Americanized! The great American game of baseball is the rage in the islands. This photograph shows a parade preceded one of the big games in Manila. Baseball is played from one end of the archipelago to the other, and, as in other branches of athletic sports, some classy players have been developed.

Some Telephone Facts.

IT COSTS MORE to furnish Telephone Service today than it did a few years ago.

THE COST OF ALL MATERIALS AND LABOR has increased in the past few years, but telephone rates have remained fixed. IT IS NOW IMPERATIVE THAT TELEPHONE RATES BE SLIGHTLY INCREASED IN ORDER TO MEET THE CHANGED CONDITIONS.

We have not been earning anything like a reasonable return and we must increase the rate to our patrons to a point where we can earn a small return on the investment.

The new rate will not yield a reasonable return, but it is imperative that we increase the rate to a point where we will not suffer a loss. The readjustment of telephone rates, however, is nothing like that in other lines, proportionately, but they will enable us to survive and properly fulfill our obligations to the public.

**Increases in Cost of Materials,
Increases in Cost of Operation,
Increases in Cost of Labor,
Must Increase the Cost of Telephone Service.**

Southwestern Bell Telephone Co.

Or Will Be Later.

"What do you think about Kate marrying a prize fighter?"
"She must have been hard hit."

She Meant Him.

He—"There's something about you I like." She—"I always thought you were the most conceded of men."

No Room to Turn.

"I suppose you turned over a new leaf the first of the year?" "Gracious, no! We live in a flat."

Clean Bill.

"Have you any avuncular relatives?" "No; haven't a disease of any kind in our family."

Snoring Around.

"You know my brother?" "Yes; we sleep in the same pew at church."—Cartoons Magazine.

Natural Persuasion.

"Who egged the man on to this conduct?" "I guess it was the old hen he married."

Times Had Changed.

Husband—You hadn't a rag to your back when I married you.
Wife—True; but I have plenty now.

Sized Up.

"Don't you consider the new play rather fatuous?"
"I thought it rather thin."

SUBSCRIPTION, - \$1.50 PER YEAR

Entered at the post office at Hondo, Texas, as second-class matter.

SATURDAY, JUNE 26, 1920.

FOR THREE MONTHS HE COULDN'T WORK

Back On The Job Making More Money Than Ever In His Life, He Says.

"For the first time in fifteen years I can sit down and eat a big beefsteak supper and go to bed afterwards and sleep like a log all night," said George Sanderson, a well-known miner living at 1616 Smith St., Peoria, Ill.

"This Tanlac has overcome a mighty bad case of stomach trouble and rheumatism for me," he continued. "My legs ached and pained so bad I couldn't sleep at night and my hands were so drawn I couldn't use my pick half the time. Everything I ate bloated me up with gas for hours afterwards and I would have the worst cramps in my stomach you ever heard of. Sometimes a cramping spell would hit me when I was in the mine at work and I would have to run out and lie down until it passed off. I finally got in such bad shape I had to quit my job and for three months I was not able to hit a lick of work."

"I saw in the paper where Tanlac had relieved our State Mine Inspector of troubles just like mine, so I decided to try it, too, and sir, it was simply amazing the way Tanlac put me on my feet. I haven't a trace of rheumatism or stomach trouble now actually believe I am stronger than I ever was in my life. You would think so, too, if you could see the tons of coal I pile up every day—and I am making more money than I ever did. Tanlac is certainly a real medicine and I boost it every chance I have."

Tanlac is sold in Hondo by W. H. Windrow; in Castrovillo by Joseph Courand and Co.; and in Dunlay by Louis A. Haby.

Why not get a Thrift Card from the postmaster and try out the saving idea for yourself? You will find that it will pay.

Cases of oak or ivy poisoning should be treated with Ballard's Snow Liniment. It is antiseptic and healing and a splendid remedy for such troubles. Three sizes, 30c, 60c and \$1.20 per bottle. Sold by W. H. Windrow.

Stands for the Children

"They might call me an ultra-progressive Democrat if they choose to do so, but I will never be satisfied until conditions are such that the mind and heart of every child in this country can grow up and fill an honorable place in life. I am for anything to better our school facilities both in the rural districts and cities. It means safety for the republic and a square deal to the boys and girls."—I. W. Culp, candidate for Lieutenant Governor.

In Dallas every baby receives a brand new Thrift Card before it is a week old. Dallas parents are saving the W. S. S. way for their children and they are beginning thrift teachings early in life.

The misery and depression caused by a bilious and constipated condition of the system can be quickly removed by Herbine. It purifies, strengthens and invigorates. Price, 60c. Sold by W. H. Windrow.

Don't wish for prosperity, save for it. Salt something safely away every pay day. Every one should have a bank account and some Savings Stamps.

If you have reason to think your child is suffering from worms, take the safe course—use White's Cream Vermifuge. Worms can not resist its expelling influence. Price, 35c. Sold by W. H. Windrow.

County Examinations.

Regular County Examinations for teachers' certificates will be held as follows:

July 2nd and 3rd, 1920.

Aug. 23rd and 24th, 1920.

W. N. SAATHOFF,
County Superintendent.

A bad taste in the mouth comes from a disordered stomach and sluggish state of the bowels. Herbine corrects the trouble immediately. It purifies the bowels, helps digestion, and sweetens the breath. Price, 60c. Sold by W. H. Windrow.

Colds Cause Grip and Influenza

LAXATIVE BROMO QUININE Tablets remove the cause. There is only one "Bromo Quinine." E. W. GROVE'S signature on box. 30c.

Cotton News.

Dallas, Texas, June 8th. England's dependence on America for cotton is only emphasized by the numerous projects put forward to develop cotton growing within the British Colonies according to A. H. Wicker & Co. of Dallas. The latest report indicates a plan to grow cotton in Australia.

"Queensland has an area of over 50,000,000 acres of land immediately suited to cotton growing," according to the Liverpool Evening Express of May 12th. "The industry in Queensland, is only in its infancy, but samples to hand have, it is learned, been tested, and proved to equal the finest American cotton."

"You will note, always, the comparison to American cotton, by which comparison, we may be assured, English spinners want American cotton above all others, owing to its particular strength, and spinning quality. It is up to the American producer, and particularly to the Texas producer, to keep his quality up to the highest standard, and retain this pre-eminence in the world, for Texas cotton."

"We do not believe, that any great acreage can be developed in Australia, as the regions there are mostly arid, with but little rainfall, and they have not the mountain ranges with the heavy snowfall during winter, to supply reserve water for irrigation purposes, as in California and Arizona, and the supply of labor in Australia, is not any too plentiful."

"England's desire to produce cotton in her own colonies, is for two reasons. To become independent of America, for one, and to secure a better staple cotton, for another. The English spinners have been accustomed to depending very largely on American cotton, and most of this from Texas, which latter cotton is considered in Liverpool the best staple, a large number of Liverpool firms, specializing in Texas cotton for this reason. If all these reports from England are correct, she has acreage available to raise several times the American crop, however with all the many years development, the world over, America still produces more than two thirds of the world's supply, and England continues to take from us, 3,500,000 to 4,000,000 yearly, and seeks Texas cotton of an equal length of staple, above any other of similar length, because of its peculiar spinning quality."

"It is urgent therefore, that Texas producers keep the quality of staple very high, and market their cotton with a knowledge of its value, and not mixed with short staples, as in the old system of blind marketing."

WHY IT SUCCEEDS.

Because it's For One Thing Only, and Hondo People Appreciate This.

Nothing can be good for everything. Doing one thing well brings success. Doan's Kidney Pills are for one thing only.

For weak or disordered kidneys. Here is Hondo evidence to prove their worth.

Mrs. X. Wantz, Hondo, says: "My kidneys were disordered for some time. A dull bearing down pain appeared in my back which greatly increased until I had to give up. I couldn't stoop over or straighten up again without severe pain. I saw Doan's Kidney Pills advertised and bought some at Martin's Drug Store. From the start Doan's did me good and I gladly recommend them to others." (Statement given May 29, 1915).

On May 3, 1919, Mrs. Wantz said: "I think just as much of Doan's Kidney Pills today as when I gave my former statement. I have had no occasion to use them since, for the cure they worked then has proven permanent."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Wantz had. Foster—Milburn Co., Mfrs., Buffalo, N. Y.

How does a \$5.00 bill for four dollars and a few cents strike you? The postmaster will trade that way with you and he has plenty of War Savings Stamps.

"How We Cleared Our Summer Home of Rats," by Mrs. Perry.

"When we opened our seaside home last May, it was alive with rats. They'd gnawed all the upholstery. We cleaned them out in a week with RAT-SNAP. I prefer this rat killer because it comes in cake form, no mixing. Saves dirtying hands and plates." Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by W. H. Windrow and Holloway Bros.

Mix up a few War Savings Stamps with your good intentions and you won't supply Mephisto with so much paying material.

W. H. WINDROW, Druggist.

RACINE HORSE-SHOE TIRE ASS'n

JOHN HOENY, PRESIDENT

F. B. HOENY, VICE-PRESIDENT

R. O. BELL, SECRETARY AND TREAS.

CORNER BRYAN AND MASTEN STREET

DALLAS, TEXAS

"Remember the Horse-Shoe Tread"—Why?

Look at the tread of a Horse-Shoe Cord Tire and you will see why the Horse-Shoe Tread is as durable and efficient as it is distinctive.

First, the tread of a 5-inch Horse-Shoe Cord Tire is 4 inches wide, giving this tire a wearing surface considerably larger than that of ordinary tires.

Second, over half of this 4-inch width is almost solid rubber. This extra-wide, compactly-solid, non-skid tread "grips the road like a giant horse-shoe" and wears down slowly and evenly under all conditions.

Once you try a Horse-Shoe Cord Tire you will understand why a million motorists prefer Horse-Shoe Tires to any other brand. No other, you'll agree, gives so much for your money.

WE'RE ready for the Glorious Fourth. Are you? Come in and let us give you an Independence Day musical program—a vivid suggestion of how to make the Fourth a day of finer meaning in your home. We'll send a New Edison to your home—together with a fine group of patriotic selections.

The NEW EDISON

"The Photograph with a Soul"

Our Budget Plan will turn your "fireworks" money into a first payment. It will make similar economies provide the balance. It's a systematic thrift idea.

Why throw your money into the air on the Fourth? Isn't it a finer patriotism, a bigger family policy, to spend it on music—good music? **What's** a Fourth without music?

The thrill in those grand, old airs of the Republic! The exultation! The memories! The ringing pledge!

All these and more—have been given life by the
 painting art and the fervid hearts of great artists!

All these and more are Re-Created for you by the marvelous realism of the New Edison.

The perfect realism of the New Edison was proved again in an astonishing test made March 10, 1902, at Carnegie Hall, New York City. Anna Case, world-famed soprano, matched her voice directly against the Re-Constructing the New Edison. During the test, the lights went out. The audience, in the darkness, would not tell whether Anna Case was singing or whether the New Edison was Re-Constructing her voice.

You can experience the New Edison's supreme realism for yourself. Come in and let us give you Wm. Edison's Realism Test.

EL PASO, TEXAS

A PHILIPPINE TRAVELOGUE

THE ROMANTIC ISLANDS OF THE FAR EAST. PICTURES OF THEIR NATURAL BEAUTY AND HISTORIC SPOTS—BEING A MECCA FOR TOURISTS AND A POPULAR WINTER RESORT.

The Zigzag on the Way to Baguio, Summer Capital of the Philippines.

All aboard! Let's go! We're starting from Manila, the great picturesque, Americanized Oriental city, and will travel by automobile 200 miles to the north to Baguio, the summer capital of the Philippines. The trip can also be made by train.

We have ahead of us one of the most scenic, spectacular and thrilling automobile trips in the world. We will have excellent roads all the way. The Philippines are, in fact, a paradise for motorists, possessing 3,500 miles of fine macadamized roads.

The first part of the trip is through typical small towns and then across the central plain of Luzon and through several rich and fertile provinces, where tropical vegetation is seen at its best. Here one is impressed with the great agricultural wealth of the Philippines, which represents one of the East's greatest producing areas, with the advantage of immense natural resources for the development of further production. It is regrettably true that even in the United States there is far from any real understanding of the potentialities of the islands.

At some points rice fields, looking in the distance like the greenest of green lawns, stretch away as far as the eye can see. If you want color, if you want to feel the romance and mystery of an Oriental twilight, pass this way as the red eyed sun at the end of the dying day is slowly sinking behind the unending expanse of green fields. At first you cry out in ecstasy at the gorgeous scene. But as you ride along, your eyes fastened on the panorama of tints and colors, and with the impenetrably black Oriental night coming on fast, you become enthralled. You no longer try to express your feelings. You cannot. You realize that those now fast changing, colorful masterpieces in the heavens and on the landscape are pictures that no man can adequately describe nor human hands duplicate. So what's the use of trying!

True, these are but impressions, but the travelogue considers himself justified in mentioning them, for they are a part of the trip to Baguio and return. Indeed, the gorgeous sunsets in all parts of the Philippines leave an impression on the mind of the tourist that is everlasting.

We leave the palms and tropical foliage and enter the zone of rugged pine. We pass from the soft, incense laden air of the warm lowlands to the crisp, invigorating ozone of the temperate zone, all within a few hours' time.

For mile after mile the road now follows the tortuous course of a river, the road lying in the bottom or on the rocky sides of a granite canyon.

The Philippines are rich in hydro-electric possibilities. This power is the cheapest power on earth. And it is everlasting. Your travelogue is neither a prophet nor the son of a prophet, but he predicts that one day there will be innumerable Philippine government owned hydro-electric plants in this canyon we are now passing through. Think of the possibilities of such a project! Today the trip from Manila to Baguio is too expensive for the average Manila worker and his family, many of whom may live and die without beholding the wondrous beauties of their own island of Luzon. Think of what a blessing it would be to Filipino mothers and children to feel upon their fevered brows the cool, invigorating breezes of the mountain tops, now so near and yet so far! With the Philippine government owning its own electric railways and hydro-electric plants it would be possible to bring

the trip to Baguio within the means of hundreds of thousands of Filipinos. Not only is there sufficient power in this river to electrify a line from Manila to Baguio, but to operate the street railways of Manila, light the city and furnish power for manufacturing concerns.

But we have now arrived at Camp One. From this point the scenery rapidly changes as the elevation increases. We are traveling over the famous Benguet road, the construction of which through the mountains is a most remarkable engineering triumph. At places the road is blasted out of the solid granite. Riding on the edge of a 100 foot precipice makes one feel like

"At times we seemed perilously near the jumping off place."

he is on the rim of the world. Some of the turns are so sharp it is impossible to see 20 feet ahead, and we seem to be perilously near the jumping off place. We wonder if it is safe to lean out and peer into the canyon far below, and when we do we are perfectly satisfied we are flirting with death. Yet the trip is a safe one, providing our driver has better nerves than our own.

All too soon we reach the outskirts of Baguio, a city among the clouds, and are rather surprised at the modern city we find it to be. In ten years Baguio has grown from a village of huts to the now justly famed mountain resort of the Philippines, sometimes called the Philippine Simla. It is undoubtedly destined some day to become a large city.

Baguio ranges in elevation from 4,500 to 5,500 feet and is surrounded practically on all sides by high mountain ridges and "hogsbacks" towering into the skies at a height of almost 8,000 feet.

Aside from the scenery, which is noteworthy, the great blessing of Baguio is its temperate climate, which is indeed a godsend to those impoverished by the tropical temperatures of the lowlands. Not only is the mountain air rich in ozone, but it has been demonstrated to be extraordinarily free from germs of all kinds.

Each year during the hot season the school teachers of the entire archipelago are enabled by the government to spend a month at the teachers' camp in Baguio for recreation and conference on school work. American army officers and their families also go to Baguio for the hot months.

And now that your travelogue has you in Baguio, he believes he will leave you there, for there are many interesting side trips to take, and, besides, Baguio is the most delightful place for a vacation in the entire Orient.

CONTROL THE BOLL WEEVIL

Rightly Used and Properly Made Calcium Arsenate Will Do This Effectively

By F. H. Jeter, Soil Improvement Committee

Late studies made by Professor B. R. Coad of the United States Department of Agriculture confirms his former opinion that by the proper use of well made calcium arsenate boll weevil damage to cotton may be kept at the regular normal shed of the cotton plant at a cost of about two dollars per application. The first thing to do is to get ready in time, procure the material and the appliances for distributing it and to be positive that the poison is of the proper kind. There is only one absolute way of being positive and this is to send a sample to the Delta Laboratory at Tallulah, Louisiana, where it will be examined free of charge and a report made to you, or by having it analyzed by a good chemist.

Under the system of poisoning found most effective but at the same time most economical, the weevils are allowed to multiply until they are present in such abundance as to be dangerous to the crop yield, then poisoning is begun and kept up for every four or five days until the cotton has been kept covered with the material for about twelve days. Weather conditions may cause a variation in this program, but if the weather is ideal, this plan will thoroughly control both the weevils and their progeny.

The time to dust is when the air is still and full of moisture and the plants wet with dew. This means that the best time to dust is at night or while the dew is on the plants. Every part of the cotton plant should be touched with the dust cloud. Five pounds per acre will give good results where the machines are well operated. Four pounds is the amount used by the Government experts at Tallulah. Since the calcium arsenate is worth about 25 cents per pound, economy should be observed in its use.

There is a common tendency on the part of many farmers to wait until too late to order their materials for poisoning. To delay this year is

dangerous, as it may not be assured, and the crop will be seriously reduced. Any man who can make as much as one-half bale per acre on his land will find that it pays to dust. Where lower yields than this are made, the operation probably will not pay.

The important thing to remember is that if the weevil is kept under control for twelve days at the period of his greatest infestation by the proper use of properly made calcium arsenate, the loss of cotton will be no greater than the normal shed of the plants. Cotton always produces more bolls than it can mature, even where the weevil is not present, and so up until a certain point there can be a great abundance of the insects present without interfering with the regular normal yield. Beyond this point, the dusting should commence and be continued every four or five days for a period of twelve days.

WILL POWER MAKES SAVING MONEY EASY

After all, saving is will power and determination to get ahead, expressed in the little things we do each day, according to Dinsmore W. Hume, Federal District Director of Savings.

Despite the high cost of things and with even the most moderate of small salaries, the man or woman who really wants to build up a sum of money, where it will be safely growing for him and ready when needed, can do so if he has the courage to try. It is chiefly a matter of honest trying—"toting" fair with ourselves in spending our nickels and dimes and dollars.

The first thing and the necessary thing for one to do is to say to himself: "I am going to save and I shall honestly try to live up to this promise to myself." That's half the battle. Anyone can save if he makes up his mind to do so.

No matter how small their pay may be, people should make it a rigid rule to take something out of each and every pay envelope or salary check received and salt it away. Five per cent is a good figure. Figure it out for yourself and see. Can you save five per cent of your salary ev-

ery month? Certainly you can. That's only \$5 for every \$100. What is it in your case? Well, you know you can save that. Where can this saving out of every pay day's pay be safely put to the best advantage? One of the best and safest places is in War Savings Stamps. They yield compound interest at the rate of 4 per cent and they have the advantage of saying "stop! look! listen! do you have to spend it?" when one's spending fingers commence to itch. Of course the money and the good interest it is earning can be easily had if one needs it. It is only necessary to speak a word to Uncle Sam's postmaster and the money is ready in a "flv. Regularly and religiously made, this five per cent saving salted away every pay day will be a considerable sum at the end of six months or a year.

New coins help many people to save. They have the habit of putting away every new Lincoln penny, Buffalo nickel or new quarter or dime received in change. A surprisingly large number of War Savings Stamps can be bought in this way.

"Save a quarter when you spend a quarter" is helping other people to save. They live up to the rule of saving a quarter and putting it in a Thrift Stamp every time they spend a quarter for something that is not quite necessary. They "fine" themselves for extravagance.

Household records help the housewife to save. Best of these is the budget which shows just how and where every dollar goes. Budgets are easy and no trouble to keep. Persons wanting money-saving budget forms may get them free of charge by writing the Government Savings Division at Dallas, Texas.

It is better to be ahead of the game, if it is only at the rate of a dollar saved a month, than it is to be a penny behind the game and in the hole. War Savings Stamps fill the bill.

The wise worm turns in before the early bird turns out.

The pay days of those who work for love are uncertain.

Yes, Alfred, a kiss in the dark is one kind of an electric spark.

It is only the truthful man who knows how much he lies.

Announcements.

For Representative 116th District

We are authorized to announce GROVER C. MORRIS as a candidate for re-election to the Legislature from the 116th District of Texas, subject to the Democratic primaries in July.

For County Attorney.

At the solicitation of many friends, I hereby announce as a candidate for the office of County Attorney of Medina County, subject to the Democratic primaries. I will appreciate the support of all voters of the county. DAVID C. BROWN.

For County Superintendent.

We are authorized to announce MRS. H. G. HENDERSON as a candidate for the office of Superintendent of Public Education of Medina County, subject to the Democratic Primaries in July.

THE STATE OF TEXAS

To the Sheriff or any Constable of Medina County, Greeting:

You are Hereby Commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Medina County, a copy of the following notice:

THE STATE OF TEXAS.

To all persons interested in the Estate of Fred Metzger, Deceased, Mr. Louise Metzger, Chas. Metzger and Louise Metzger have filed in the County Court of Medina County, an application for the Probate of the last Will and Testament of said Fred Metzger, Deceased, filed with said application, and for Letters Testamentary of the Estate of Fred Metzger, Deceased, which will be heard at the next term of said Court, commencing on the first Monday in July, A. D. 1920, the same being the 5th day of July, A. D. 1920, at the Court House thereof, in Hondo, Texas, at which time persons interested in said Estate may appear and contest said application should they desire to do so.

Herein Fail Not, but have you before said Court on the said first day the next term thereof this writ, your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court at office in Hondo, Texas, this 15th day of June, D. 1920.

(L. S.) S. A. JUNGMAN, Clerk County Court, Medina County, Texas

Grove's Tasteless chili Tonic

restores vitality and energy by purifying and enriching the blood. You can soon feel its Strengthening, Invigorating Effect. Price 60c.

Firestone

ALONE in the tire field A—the Firestone 3½ takes its place beside the half dozen products of universal use which manufacturing genius has made standard.

Built in a specialized factory—by experts—with all the economy of concentrated production.

What the bulk of the people accept as the standard of value is right.

You owners of small cars can forget tire details—you need not bother with methods, features, or guarantees. Call for the Firestone 3½.
